SUNESYS LETTERHEAD

November ___, 2006

Dear Customer:

Sunesys, Inc. and its sister company, Sunesys, LLC, have agreed to merge in the near future, as a result of which Sunesys, LLC will become your provider of the point-to-point digital fiber-optic communications telecommunications service ("Service") you currently receive from Sunesys, Inc.

Subject to obtaining all prior regulatory approvals, this change will become effective as of 11:59 pm on December 31, 2006.

There will be no change in the ultimate ownership, control or management of the entity providing your Service, and as a result this internal reorganization will not affect or in any way disrupt your current Service. Your rates and the terms and conditions under your existing contract will not change as a result of the transaction. Please refer to your existing contract for such rates and terms for the Service. No charges or fees will be imposed and no rate increase will occur as a result of this transaction. Sunesys, LLC will inform you, by separate mailing, of any post-transaction changes which may occur.

We realize you have a choice of carriers. Subject to the terms and conditions of your existing contract with Sunesys, Inc., including applicable termination provisions, you have the right to choose a different carrier for your Service. Please note that if you are a customer of Sunesys, Inc. on the date of the transfer and you have not informed Sunesys, Inc. that you have made arrangements to switch to a carrier other than Sunesys, LLC, your Service will automatically be transferred and your account assigned to Sunesys, LLC.

Under Federal Communications Commission rules, any restrictions or "freezes" you may have placed on your account to block changes to your preferred carrier will be removed as part of this transfer process. You must contact your local carrier to re-establish freeze protection for your Services after the transfer.

Sunesys, LLC will be responsible for any outstanding Sunesys, Inc. customer complaints after the date of transfer. If you have any questions, please call one of Sunesys, LLC's Customer Service Representatives at 1-800-286-6664.

We at Sunesys, LLC are pleased to welcome you and would like to express our appreciation for allowing us the opportunity to be your service provider. We are confident that you will be pleased with the high quality of our service.
